

# Knox County Right to Life – Christmas Wish List December, 2022

Dear Friends of Life,

2022!!!! An amazing year has gone by since our last Wish List was published. The repeal of Roe vs Wade was certainly the highlight of the year. Progress in many states with positive pro-life legislative decisions is encouraging. The growth of youthful energy in Illinois with the WE DIGNIFY organization, and nationally with STUDENTS FOR LIFE OF AMERICA gives hope for the future. There is a core of young people who participate with long time pro-life workers in local efforts. The mission to save the lives is in the hearts of these young people, and the motivation is to change the hearts of everyone in our country away from a culture where innocent life is disposable. The new pro-life generation needs encouragement.

The repeal of Roe vs Wade has not ended abortion; it has changed the locations, the politics, and the determination of the pro-choice (pro-abortion) crowd. So there is much more to be done. The driving energy of the pro-life movement is the commitment to be actively involved and to tap into the power of daily PRAYER. God does not want his precious creation destroyed. Your prayers, your support of local, state and national efforts to save the lives of the unborn are ways that you can add energy to the culture of life. Listed below are ways that you can support Knox County Right to Life's projects. Projects span from educational materials to the real personal touch work of the WOMEN'S PREGNANCY CENTER. Please choose a way or some ways that you can help.

God bless and Merry Christmas! *Dave Lindstrom* – (newsletter, Wish List editor)
